Draft Waterford City and County Development Plan 2022 - 2028

Volume 2: Development Management Standards

Caibidil: Volume 2: Development Management
Standards

I propose that policy SC33 included under section 7.27 sustainable community policy objectives of the Waterford city and county development plan 2000 2028 be amended to include the development of a new sustainable 25m community swimming pool facility within the West Waterford region, so located to achieve maximum accessibility to the residents of the region, including the integration with and development of existing associated sports facilities, accompanied by appropriate infrastructure “.
