Submission: Killea Village Centre

Comhairliúchán:

Draft Waterford City and County Development Plan 2022 - 2028

Map 2: Settlement and Zoning map

Caibidil: Volume 4: Maps » Map 2: Settlement and Zoning
map

[redacted text] owns lands in the immediate Killea village area. These lands are Folio no. WD28968F currently zoned village centre and residential medium density.

[redacted text] has intentions to address the current housing crisis, and to reinvigorate the local area. Over the last year, [redacted text] has already engaged in detail with architects to develop these lands into residential units. The current plan appears to blanket this into a zoning of residential reserve. We would like to express our intention to keep a minimum of the medium to high density residential.

Kind regards

Rory Kennedy
