Active Travel Scheme Shandon Road – New Footpaths and Junction Tightening

Waterford City & County Council proposes to undertake the construction of a new footpath on Shandon Road (L3147) from the N25 roundabout at The Park Hotel to the new pedestrian crossing at Fraher Field. This will include the relocation of accessible parking spaces to the north side of the entrance to Fraher Field. As part of the Active Travel works in the area, the objective is to improve walking routes, improve connections to existing footpaths and create safer crossing points for vulnerable road users.

The drawing is available for inspection on Waterford City and County Council's website www.waterfordcouncil.ie and is also on display in our Customer Services Departments in Bailey's New Street in the City and Davitts Quay, Dungarvan from **Tuesday 20th September 2022 to Monday 18th October, 2022.**

The Council will consider any submissions or observations made in writing regarding the proposal. Submissions should be lodged with Ian Ludlow, Staff Officer, Active Travel Team, Waterford City & County Council, Menapia Building, The Mall, Waterford or by email to iludlow@waterfordcouncil.ie or on consult.waterfordcouncil.ie to be received by **Tuesday 1st November 2022.**

Please note that comments, including names of those making comments, submitted to the Council regarding this process will form part of the statutorily required report to be presented at a meeting of the elected members. Accordingly, they may also appear in the public domain.
